

BASEBALL - BASKETBALL - FOOTBALL

BEekman 3-3407-8

June 19th, 1941

The night baseball games and second games of Sunday doubleheaders are being broadcast at Dexter Park. In order to assist the announcer in broadcasting these games intelligently, would you please be good enough to have your publicity director fill in a slip for each one of the players and return the same to this office, just as quickly as possible.

These slips will be kept on file for future use.

Very truly yours,

W. A. Leuschner
